Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance of claims 1-15.

For independent claim 1, the prior art of record does not disclose or clearly suggest a rotary movement converting mechanism having a stop member that stops a linear movement of the movable body when a load is applied to the linear movement wherein the stop member has a face that is movable into contact with the inner circumference of the support body in combination with the remaining limitations of the claims.

Claims 2-15 are allowed due to their dependency on allowed claim 1.

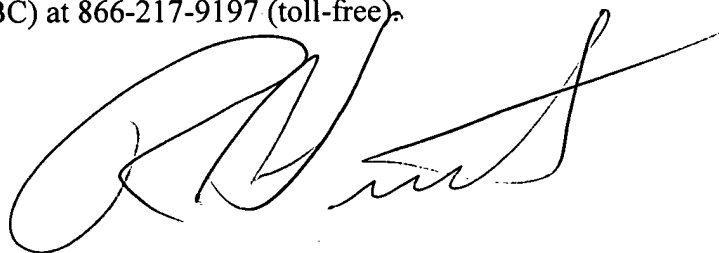

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
